

Fieldstone

Winter Sky Fieldstone

The right amount of *rustic*.

Exceptional character and dimensional profile with various shapes. Fieldstone is well-suited for spaces looking to achieve a rustic, earthy feel. Random and linear lines lend a rustic touch.

INSTALLATION

Sunset Stone's Manufactured Stone Veneer installation involves preparing the surface, applying mortar, and then placing the stone veneer. The installation process may vary depending on the type of veneer and the application. Local building codes and professional guidance should be consulted for specific installation requirements. For more information, please reach out to a Mutual Materials sales representative.
