

Dry Stack Ledge

Glacier Dry Stack Ledge

So elegant, you'll forget all about the grout.

Ledge-style panels of stones made to fit together with a "dry-stacked" application. The absence of mortar lines creates a more natural and organic appearance, eliminating the visual influence of the grout.

PRODUCT COLOR OFFERINGS:

Country, Georgia Brown, Glacier, Pinos Creek, Telluride, Vail Valley

WHY SUNSET STONE

We've been winning the love and respect of masons and builders for more than 50 years. Discover all the reasons why everything feels a little bit better with Sunset:

CMHA-certified stone veneer products that look great and last a lifetime.

An engaged business partner that works to build and strengthen relationships.

Unparalleled value that creates repeat business and sustainable margins.

The best delivery timelines in the business.

Sunset Stone products are proudly certified by the Concrete Masonry & Hardscapes Association (CMHA). For complete installation details, please refer to the **CMHA Installation Guide**.

Installation steps may vary based on the veneer type and application. Be sure to review local building codes and consult a professional for project-specific requirements. For additional guidance, contact your Sunset Stone sales representative.
